Dear Friends,

We've been back to regular Mass celebrations for over six weeks now, and I thank God that so far all has gone well here at St. Luke. Fr. Paul gathered a great team of volunteers who have been diligent in sanitizing the church in between Masses on the weekend. We have been able to accommodate everyone who has come to church for Mass, and the numbers have slowly been going up as people feel more comfortable venturing out while holding to the protocols of wearing masks and keeping the proper distance from others. I just want to remind parishioners that we need to be diligent in wearing masks while in church that cover our noses and mouths for the safety of everyone. We continue to live stream Mass at 9:00 AM and 11:45 AM on Sundays for the sake of those who are not ready or able to return to church for Mass. This weekend we celebrated the first two of six First Communion celebrations for our parish children; we pray in a special way for all the children who will receive the Eucharist for the first time during the month of August here at St. Luke. Congratulations to them and their families!

The governor recently announced the opening of schools in New York State this fall, and Mrs. Brunswick and the faculty and staff have been working above and beyond the call of duty to make sure everything is in place at St. Luke School for this September. We will follow all the guidelines of the city, state and diocese to do everything possible to keep everyone safe when school resumes in a few weeks. Sr. Katherine is also planning a new year of faith formation for the children enrolled in our religious education program. We are grateful to the catechists and other parishioners who volunteer their time and talent to share their faith and to provide a secure environment for the children.

On Friday of this week the Church celebrates the memory of Pope St. Pius X who died on August 20, 1914. He is probably best remembered for encouraging the frequent reception of Holy Communion, especially for children. A theme of his pontificate was to "re-establish all things in Christ." He brought about liturgical reforms with a particular emphasis on the beauty of chant, and he strongly supported the orthodox teachings of the Church in response to the threats of Modernism in the early 20th century. He was canonized a saint in 1954. *St. Pius X, pray for us!*

With love and prayers,
Fr. John Costello

Prayer to Pope Saint Pius X

Oh, Pope Saint Pius X, Pope of the Eucharist,
pray for me to Jesus Christ that I may get
His true Love and live for Him alone.
Also pray for me that I get the vigor and will
to live a life full of sanctity
so that I may enjoy the true rewards of the
sacrifice and sacrament of the Holy Eucharist.

May I copy your love for the Sweet Virgin Mary,
the mother of our Lord Jesus Christ,
so that I may also fill my heart with utmost
love and tender devotion for her.

Dear St. Pius X, pray for the Church of Christ
so that we may have an increase
in vocations for religious life,
where eventually we will get holy and dedicated
priests and other clergy.

We ask you that you pray for peace and tranquility
in our hearts and nations so that we all dwell
under the wonderful regime of our
Lord Jesus Christ.

St. Luke is now open for Mass!

MISSION STATEMENT

As a community of believers in Jesus Christ and in Communion with the Universal Church, we strive to follow the Lord's command to love God and one another. Rooted in word and sacrament, we grow together as a Eucharistic community inviting all to the Good News of Jesus.

INFANT BAPTISMS RESUME AT ST. LUKE

After months of infant baptisms being cancelled because of the corona virus pandemic, we are gratefully at the point of resuming the baptism of infants at St. Luke. Many changes have been made to our Baptism Preparation Program and baptisms are currently being celebrated for one infant at a time, with the use of masks and social distancing marking our concerns for the safety of all present at the celebration. If you are interested in having an infant baptized, please call **Sister Theresa at 718 746-8531** and she will provide information that describes what are the current requirements for parents to participate in baptism preparation at St. Luke and she will assist parents in the preparation that is necessary. It is our hope to return to our previous Baptism Program with certain Sundays scheduled for the baptisms and a few babies baptized together in the future. However, in this time of uncertainty, we are able to baptize infants individually and will continue to do so during the next few months. For information, please call Sister Theresa.

Prayer for Vocations

GOD OUR FATHER,
*we thank you for calling men and women to serve in your
Son's Kingdom as priests, deacons,
religious, and consecrated persons.
Send your Holy Spirit to help us respond
generously and courageously to your call.
May our community of faith support
vocations of sacrificial love in our youth.
We ask this through our Lord Jesus Christ,
who lives and reigns with you and the Holy Spirit,
one God, for ever and ever. Amen*

St. Rocco

Feast Day: August 16

St. Rocco lived in the middle of the 14th century. He was born in France, and he had a birthmark in the shape of a cross on his chest. He was orphaned at the age of 20 and made a pilgrimage to Rome. At that time, Italy was being ravaged by the plague. Rocco was able to heal many of those stricken with the disease by praying for them and making the sign of the cross over them. Eventually, he, too, was struck with the disease and had an open sore on his leg. The people banished him from the city and he found refuge in a cave. A dog would bring him food to nourish him. The dog's owner, a nobleman, eventually followed the dog and discovered Rocco in the cave. He brought him to his castle where Rocco was cured.

He eventually returned to France, but he was so weak and sick that the people didn't recognize him, so they accused him of being a spy and put him in jail where he remained for five years. On August 16, 1378, he was clearly dying, and a blue light that radiated from his body illumined his cell. When the governor heard of this, he insisted on seeing it for himself. He did not recognize Rocco as his nephew because of his illness, but Rocco showed him the birthmark on his chest and the governor immediately realized that Rocco was indeed his nephew.

St. Rocco is venerated in the Catholic Church as a protector against the plague and other contagious diseases. He is recommended as an intercessor for the world today as many people suffer from the effects of coronavirus. St. Rocco, pray for us!
