The Twenty Sixth Sunday of Ordinary Time
Saint Luke Church, Whitestone, New York

September 27, 2020

Dear Friends,

Fall is here! The days and evenings are getting a little cooler, and hopefully we will more and more return to our regular routines. I am grateful to all the ministers who help us every week to celebrate Mass and those who sanitize the church after every liturgy for the benefit of the whole parish family. We are truly blessed by the generosity and service of so many people!

The feast of St. Francis of Assisi falls on a Sunday this year, so we will hold the annual blessing of the animals on Saturday, October 3rd at 12:00 PM in the church parking lot. All are welcome.

As I mentioned last week, Bishop DiMarzio will come on Sunday, October 18th to celebrate the Feast of St. Luke and to install me as pastor of the parish. FOR THAT SUNDAY ONLY, we will celebrate Mass at noon, merging the 11:45 and 1:00 PM Masses. Due to COVID restrictions, there will be no reception following the Mass, but I will be grateful for your prayerful participation to ask the Lord to bless me as I begin my pastoral ministry here at St. Luke.

With regard to scheduling activities in the parish, for the time being we must follow the following guidelines:

- 25% of total occupancy (for the Parish Center, the maximum is 60 people)

- Hand sanitizer is available

- Masks/face covering must be worn at all times

- People must sit at least six feet apart

- No food can be served to prevent the sharing of utensils and gathering in close proximity

- Space must be sanitized after every use

I ask groups that wish to use the Parish Center to strictly observe these guidelines. Some groups might consider meeting less frequently for the time being. Since our maintenance staff is limited, I ask groups using the Parish Center or any parish facilities to sanitize the space used before they leave. Please contact me regarding the scheduling of parish activities.

When October arrives this week, we begin the month with two wonderful celebrations: on October 1st we celebrate St. Therese of Lisieux, the Little Flower. Many Catholics consider her one of their favorite intercessors, and we are always grateful when she sends us flowers from heaven. On October 2nd we celebrate the Guardian Angels. From a young age, many of us were taught to pray to our guardian angels "to light and guard, to rule and guide." The saints and angels are always ready to help us grow in holiness and draw nearer to God's love. May we always find them to be faithful intercessors for our families and for our parish community.

At the request of the diocese, I will be making an in-pew appeal for the Annual Catholic Appeal next weekend. The support of the parish and the diocese has been greatly reduced during the last several months. I ask all parishioners to consider increased offerings to both the parish and the diocesan appeal to help us to continue the important pastoral and charitable works that are desperately needed in our local church.

With love and prayers,
Fr. John Costello

Sunday, October 18

MISSION STATEMENT

As a community of believers in Jesus Christ and in Communion with the Universal Church, we strive to follow the Lord's command to love God and one another. Rooted in word and sacrament, we grow together as a Eucharistic community inviting all to the Good News of Jesus.

INFANT BAPTISMS RESUME AT ST. LUKE

After months of infant baptisms being cancelled because of the corona virus pandemic, we are gratefully at the point of resuming the baptism of infants at St. Luke. Many changes have been made to our Baptism Preparation Program and baptisms are currently being celebrated for one infant at a time, with the use of masks and social distancing marking our concerns for the safety of all present at the celebration. If you are interested in having an infant baptized, please call **Sister Theresa at 718 746-8531** and she will provide information that describes what are the current requirements for parents to participate in baptism preparation at St. Luke and she will assist parents in the preparation that is necessary. It is our hope to return to our previous Baptism Program with certain Sundays scheduled for the baptisms and a few babies baptized together in the future. However, in this time of uncertainty, we are able to baptize infants individually and will continue to do so during the next few months. For information, please call Sister Theresa.

Prayer for Vocations

GOD OUR FATHER,
*we thank you for calling men and women to serve in your
Son's Kingdom as priests, deacons,
religious, and consecrated persons.
Send your Holy Spirit to help us respond
generously and courageously to your call.
May our community of faith support
vocations of sacrificial love in our youth.
We ask this through our Lord Jesus Christ,
who lives and reigns with you and the Holy Spirit,
one God, for ever and ever. Amen*

“ Each prayer is more beautiful than the others. I cannot recite them all and not knowing which to choose, I do like children who do not know how to read, I say very simply to God what I wish to say, without composing beautiful sentences, and He always understands me. For me, prayer is an aspiration of the heart, it is a simple glance directed to heaven, it is something great, supernatural, which expands my soul and unites me to Jesus.”

~ St. Therese of Lisieux

Dearest Parishioners,

After a long six months, away from our beloved school and parish, we are delighted that we have followed all health and safety guidelines to be able to return for the start of the 2020-2021 school year. Although this year our classrooms and hallways may look differently, what has not changed is our commitment to providing our students with a quality Catholic education. We are committed to the health, safety, instructional, and spiritual needs of every student who attends Saint Luke School.

We are extremely proud of the perseverance and sense of community that our students, teachers, and parents maintained throughout distance learning during our shutdown in the spring and during the long summer when the fate of our nation's schools was unknown. As we prepared to begin the new school year, our community truly shined as they embraced all of the new safety procedures and protocols that were such an integral part of our reopening plan. Many of our teachers volunteered time during their well-deserved summer vacations to be a part of our reopening committee. Hundreds of parents shared their ideas and concerns during our reopening meetings. Many more, including our fabulous new pastor, Fr. John Costello, our dear parishioners, and generous alumni offered their prayers. God has truly heard these petitions and has given us His grace throughout our planning and preparing as well as these first few unprecedented weeks of school. We have been able to overcome challenges related to the Covid 19 pandemic that we never faced before. Thanks to our teachers, parents, parish, and students we have been able to meet our goal of providing a quality Catholic education within a safe and nurturing environment to well over 430 students, including over 60 new students. Our teachers have displayed remarkable dedication and creativity in their ministry through educating students in new ways using the best that technology has to offer.

Many families experienced a financial crisis due to job loss caused by the pandemic. We are proud to say that we have been able to provide every family who desires a Catholic education for their child, and needs financial assistance, with some form of support.

We ask for your continued support, appreciate any financial gift you can offer, as well as your ongoing prayers as we continue to navigate these uncharted territories in Catholic education. Please be assured that our dear parishioners remain in our thoughts and prayers. I know I speak on behalf of the entire Saint Luke School community when I wish you all ongoing health, safety, love, and joy. Looking forward to the time when we can join together in prayer and community.

Sincerely,

Mrs. Jan Brunswick, Principal
